

MANDALA CONSULTING
INTEGRATION FOR SUSTAINABILITY

Formed in South Africa in 2003, **Mandala Consulting (Pty) Ltd Group** operates internationally, focusing on enhancing human capital and people performance in medium and large, private and public organisations. Our services complement existing initiatives and support the client's journey towards their vision. Our organisational development interventions are founded on a multicultural and systemic approach aimed at levers key to lifting effectiveness and levels of engagement to remarkable levels.

Our Portfolio of Services

- Management and Leadership Development
- Unleashing the Power of Women in Leadership
- Organisational Research
- Business Consulting (incl. Strategic Planning and Human Performance)
- Climate and Culture Studies
- Diversity Management and Inclusivity
- Change Resilience
- Team Development
- Personal and Group Skills Training and Facilitation
- Employee Wellness
- Coaching and Counselling
- Psychometrics

All partners are involved in lecturing academic programmes, thus allowing successful integration of theoretical frameworks and real life considerations in the firm's consulting interventions. Added to the expertise built internally, Mandala works closely with a network of specialists in related fields of work.
