

Mrs United Nations SA 2012, Monique Pelsers Erasmus gave a Refinement Course to these Precious Young Teenage Girls of the Jouberton Township in Klerksdorp. They had a formal Graduation Ceremony after completing the course. They have been sponsored evening dresses and will be made up by Professionals. These Precious Princesses have been through very hard and sad circumstances but dedicated their lives to God and circumstances could not tie them down!

Twenty volunteers from the community on their way to Jouberton Township for the big day, the graduation ceremony of the Refinement Course.
